

TAFIP needs your help again to be successful in 2019. In order to meet our goal for this year of matching last year's donation we are again sending out a request for support and ask you to make a contribution this year so we can again have a great day on March 16 and can also provide the Hatchery with the funds needed so they can continue to ensure the future health of the Walleye Fishery in Temagami.

This year's Ling Fling will be held on Saturday March 16th beginning at 2 pm and will be held on the ice off of the Lake Temagami Mine Landing.

If you prefer, please forward me your funds directly through a bank transfer or you can send me a cheque made out to Temagami & Area Fish Involvement Program. As usual cash donations at the Ling Fling will be accepted before and during the event. Donations greater than \$25.00 will be issued tax receipts.

Thanks
