

# 2019 Water Sample Wednesdays

## GET IT TESTED - It's Free!

### IMPORTANT NOTICE

Water samples will be tested through the Ontario Public Health laboratory system.

Only well water or treated water samples will be accepted. Raw water samples will no longer be tested.

Refrigerate your sample immediately after taking it, and submit it within 12 hours.

Water-sample bottles can be picked up at the TLA Headquarters building any day between 10 a.m. and 5 p.m.

Samples must be dropped off at the TLA Headquarters building by 11 a.m. and will be delivered to the lab for you.

Samples are tested for total coliforms and E.coli bacteria.

### Drop-off dates for 2019:

- Wednesday, July 17
- Wednesday, July 24
- Wednesday, July 31
- Wednesday, August 7

Samples must be dropped off by 11 a.m.

### REMEMBER

Lake water may look, smell and taste clean, but surface water is subject to contamination.

Your treatment systems require ongoing maintenance. Refer to the manufacturer's instructions and maintain your systems to ensure safe drinking water

If you have any questions or concerns regarding the results of your drinking water samples, please call the Timiskaming Health Unit in New Liskeard at 1-866-747-4305, and speak to a Public Health Inspector.
