

COVID-19 UPDATE

TEMAGAMI UPDATE # 57 on COVID-19

April 7, 2021

CURRENT ACTIVE CASES				
Timiskaming	Timmins/Porcupine	Sudbury	North Bay / Parry Sound	Algoma
7	32	265	11	21
TOTAL ACTIVE CASES IN NORTH EASTERN ONTARIO 336				

A Province-Wide Declaration of Emergency and A Stay-At-Home Order are in effect as of April 8 at 12:01 A.M. The Covid-19 Response Framework (Colour-Coded Zones) is paused during this time. For more information please visit <https://Covid-19.Ontario.Ca/Index.Html>

This order is requiring everyone to remain at home except for essential purposes, such as going to the grocery store or pharmacy, accessing health care services (including getting vaccinated), for outdoor exercise, or for work that cannot be done remotely. As Ontario's health care capacity is threatened, the Stay-at-Home order, and other new and existing public health and workplace safety measures will work to preserve public health system capacity, safeguard vulnerable populations, allow for progress to be made with vaccinations and save lives. In addition, the province is also strengthening public health and workplace safety measures for non-essential retail under the [provincewide emergency brake](#).

You can book your vaccine appointment through the provincial online booking portal if you:

- are 60 years or older in this calendar year
- have a green Ontario photo health card (OHIP) (expired cards will be accepted)
- have an email address or cell phone number
- have a modern web browser such as Chrome or Firefox (the booking site is not compatible with Internet Explorer 11 or earlier versions)

If there are no available local vaccination appointments on the provincial booking portal, please check back at a later date. Once more vaccine supply is distributed locally, more appointment spots will get added. If there are no appointments left in your community, the site will direct you to the clinic closest to you.

Book online NOW: <https://covid-19.ontario.ca/book-vaccine/> - If you need assistance to book your appointment: Call 866-747-4305, Ext. 6 | Monday to Friday | 8:30 a.m. to 4:30 p.m.

COVID-19 VACCINE – The Timiskaming Health Unit is in the process of vaccinating the identified priority groups. Prioritization has been based on direction from the province and other factors. Dates may change and will depend on vaccine supply and shipments. For more information visit: <https://www.timiskaminghu.com/90513/COVID-19-Vaccine>

The Temagami Family Health Team will be calling their patients as they qualify for the vaccine. If you are not a patient but live in Temagami they are also available to assist with bookings. Please call 705-569-3244. The COVID-19 vaccine is not yet available to the general public. When it is, it will be advertised widely in our communities. The process will be similar to our annual flu clinics, and will be offered in many communities in the region.

The Municipal Office is accessible via scheduled appointments or by telephone only. Temagami Public Library is available by contactless pick-up only, please call at 705-569-2945 to place a curbside order.

Stay HOME | Stay SAFE | Save LIVES

Please note that these updates are made at a point in time and are not updated daily. They coincide with our regularly scheduled Emergency Operations Cycle Meetings. For the latest information on the COVID19 situation in our health district, please visit <https://www.timiskaminghu.com/90484/COVID-19>
